To Aaron Townsend **Assessor of** Perry **township,**
in the County of Fayette, GREETING:

Pursuant to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the county of Fayette, in the Commonwealth of Pennsylvania, hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the tabular forms hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves, and all other real estate not exempt by law from taxation.

2. The following PersonalEstate, to wit: All horses, mares, geldings, mules and neat cattle over the age of four years; also, all mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, and bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or of any other State or Government; and all shares of stock or weekly deposites in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or corporations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver lever watches, or other silver watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers,) over and above $200. All salaries and emoluments of office created by or held under the constitution or laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also inquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of John Porter and Phr. Lynch your Assistant Assessors, proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if, in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof, as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor; and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such personal property, trade, occupation, profession or office at the sum so specified, and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their Office in Uniontown, on Thursday the 26th. day of November

GIVEN under our hands and seal of office, at Uniontown, the 27th. day of October A. D. 1846.

TO James Patterson Jr. ASSESSOR OF Perry TOWNSHIP,

IN THE COUNTY OF FAYETTE, GREETING.

PURSUANT to the several Acts of Asssembly, in such case made and provided, we, the Commissioners of the county of Fayette, in the Commonwealth of Pennsylvania, hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the tabular forms hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yard, fisheries and ferries, wharves, and all other real estate not exempt by law from taxation.

2. The following Personal Estate, to wit: All horses, mares, geldings, mules and neat cattle over the age of four years; also, all mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, and bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or of any other State or Government; and all shares of stock or weekly deposites in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or corporations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

☞ *The aforementioned objects of Taxation are taxable for County and State purposes—the following for State purposes alone, viz:*

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver lever watches, or other silver watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers,) over and above $200. All salaries and emoluments of office created by or held under the constitution or laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also inquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if, in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof, as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor; and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such personal property, trade occupation, profession or office at the sum so specified, and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Monday the 22d day of November next

Given under our hands and seal of office, at Uniontown, the 22d *day of* October

A. D. 1847.

☞ *The aforementioned objects of Taxation are taxable for County and State purposes—the following for State purposes alone, viz:*

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver lever watches, or other silver watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers,) over and above $200. All salaries and emoluments of office created by or held under the constitution or laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also inquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if, in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof, as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor; and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such personal property, trade occupation, profession or office at the sum so specified, and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Friday the first day of December

TO William Martin ASSESSOR OF Perry TOWNSHIP,

IN THE COUNTY OF FAYETTE, GREETING.

PURSUANT to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the county of Fayette in the Commonwealth of Pennsylvania, hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township, and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the tabular forms hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yard, fisheries and ferries, wharves, and all other real estate not exempt by law from taxation.

2. The following Personal Estate, to wit: All horses, mares, geldings, mules and neat cattle over the age of four years; also, all mortgages, money owing by solvent debtors, whether by promissory notes, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, and bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or of any other State or Government; and all shares of stock or weekly deposites in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or corporations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

☞ *The aforementioned objects of Taxation are taxable for County and State purposes—the following for State purposes alone, viz:*

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver lever watches, or other silver watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers,) over and above $200. All salaries and emoluments of office created by or held under the constitution or laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth, or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also inquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern-keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if, in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof, as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor; and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such personal property, trade, occupation, profession or office at the sum so specified, and no more.

AND FURTHER, you the said William Martin are hereby directed and required, in pursuance of an Act of General Assembly, passed the 6th day of January, 1821, entitled "An Act to provide for the enumeration of the taxable inhabitants and slaves within this Commonwealth," and the supplement thereto, passed the 26th March, 1821, and the further supplement to the Act entitled "An Act to incorporate and endow the Pennsylvania Institution for the instruction of the blind," passed the 31st March, 1836, after having first taken and subscribed the oath or affirmation prescribed by the said Act, at the same time and place of making your assessment for County rates and levies to take an account of and make out two complete lists, in Alphabetical order, containing a just and true account of every taxable person of the age of twenty-one years and upwards, whether male or female, residing in your township, together with two complete lists, carefully and accurately taken, of all negroes, mulattoes and people of color, held as slaves within your said township, distinguishing their sexes, and, as near as may be, their several ages respectively; and to make out separate lists of the deaf and dumb persons, if any, resident in your township, distinguishing their sexes, colors, and, as near as may be, their several ages respectively. And also, at the same time, to make out a separate list of the blind persons, if any, resident in your township, distinguishing their sexes, colors, and, as nearly as may be, their several ages: And make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Thursday the 29th day of November

Given under our hands and seal of office, at Uniontown, the 23rd *day of* October
A. D. 1849.

professions (except the occupation of farmers,) over and above $200. All trades, occupations and under the constitution or laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also inquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if, in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof, as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor; and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such personal property, trade occupation, profession or office at the sum so specified, and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Monday the 25th day of November

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also inquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if, in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof, as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor; and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such personal property, trade occupation, profession or office at the sum so specified, and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Monday the 25th day of November

Given under our hands and seal of office, at Uniontown, the 15th *day of* October

A. D. ~~1847~~ 1850

John Beatty
Jacob Haldeman
Jacob Wolf

Commissioners of Fayette County.

ATTEST:
