To Thos. E. Strawn Assessor of Perry Township

in the County of Fayette, Greeting:

PURSUANT to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the county of FAYETTE, in the Commonwealth of Pennsylvania, hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township, and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also of the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the tables or forms hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves, and other real estate not exempt by law from taxation.

2. The following Personal Estate, viz: All horses, mares, geldings, mules and neat cattle over the age of four years, also, all mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or any other State or Government; and all shares of stock or weekly deposits in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or corporations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

3. That all able bodied white male citizens between the ages of twenty-one and forty-five years, residing in this State, and not exempted by the laws of the United States, or the laws of this Commonwealth shall be subject to military duty; and the Assessor shall, in the column headed "Military Roll" opposite the name of each person not exempt, insert 50 cents, and the Assessor shall give notice to every person whom they shall embrace in their military roll, that he is so enrolled; such notice may be given by informing said persons in writing, by leaving the same at his place of residence or business.

4. *The aforementioned objects of taxation are taxable for County and State purposes—the following for State purposes alone, viz:*

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver watches, or other silver watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers) over and above $200. All salaries and emoluments of office created by or held under the Constitution or Laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth, or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also enquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern-keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the Assistant Assessors, proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after diligent examination and consideration, believe the same would sell for, if sold singly and separately at a *bona fide* sale, after full public notice; and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of the aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor, and if any person whose personal property, trade, occupation, profession or office is taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such property, trade, occupation, profession or office at the sum so specified and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Thursday the 30 day of November

Given under our hands and seal of office, at Uniontown, the 18th day of October A. D. 1871

To J. K. Brewer Assessor of Perry Township

in the County of Fayette, Greeting:

PURSUANT to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the county of FAYETTE, in the Commonwealth of Pennsylvania, hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township, and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also of the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the table or forms hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves, and other real estate not exempt by law from taxation.

The following Personal Estate, viz: All horses, mares, geldings, mules and neat cattle over the age of four years, also, all mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or any other State or Government; and all shares of stock or weekly deposits in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or company. rations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

3. That all able bodied white male citizens between the ages of twenty-one and forty-five years, residing in this State, and not exempted by the laws of the United States, or the laws of this Commonwealth shall be subject to military duty; and the Assessor shall enter in the column headed "Military Roll" opposite the name of each person not exempt, insert 50 cents, and the Assessor shall give notice to every person whom they shall omit place in their military roll, that he is so enrolled; such notice may be given by informing said persons in writing, by leaving the same at his place of residence or business.

4. *The aforementioned objects of taxation are taxable for County and State purposes—the following for State purposes alone, viz:*

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver watches, or other silver watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers) over and above $200. All salaries and emoluments of office created by or held under the Constitution or Laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth, or by the United States, and all property, real or personal, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religious purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also enquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the ~~aid of the Assistant Assessors~~, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern-keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of ~~your Assistant Assessors~~, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the ~~Assistant Assessors~~, proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a *bona fide* sale, after full public notice, and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of the aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor, and if any person whose personal property, trade, occupation, profession or office is taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such property, trade, occupation, profession or office at the sum so specified and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Friday the 29 day of November

Given under our hands and seal of office, at Uniontown, the 15 *day of* Oct *A. D. 18*62

To William McClaney Assessor of Bullskin

Township, in the County of Fayette, Greeting:

PURSUANT to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the county of FAYETTE, in the Commonwealth of Pennsylvania hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township, and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the tabular form hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves, and other real estate not exempt by law from taxation.

2. The following Personal Estate, viz: All horses, mares, geldings, mules and neat cattle over the age of four years, also, all mortgages, money owing by solvent debtors whether by promissory note, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, and bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or of any other State or Government; and all shares of stock or weekly deposits in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or corporations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

The aforementioned objects of taxation are taxable for County and State purposes—the following for State purposes alone, viz:

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver watches, or other silver lever watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs, and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers) over and above $200. All salaries and emoluments of office created by or held under the Constitution or Laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth, or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religous purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also enquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the Assistant Assessors, proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a *bona fide* sale, after full public notice, and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of the aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor, and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such property, trade, occupation, profession or office at the sum so specified and no more; and make return of this precept and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Thursday the 14th day of December

Given under our hands and seal of office, at Uniontown, the 3d *day of* Nov. *A. D.* 187 6

Perry Township
1877 - 1882

To James Carson Assessor of Perry Township

Township, in the County of Fayette, Greeting:

PURSUANT to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the county of FAYETTE, in the Commonwealth of Pennsylvania hereby direct and require you (after having taken the oath required by law,) to proceed forthwith to the place of abode of each and every taxable person residing within your township, and with your utmost diligence and ability to discover, ascertain and make out a just and perfect list of the names and surnames of all taxable persons therein, arranging them in alphabetical order as freeholders, tenants or single men, as the case may be, with a description of their property, real and personal, as also the several objects made taxable by the laws of this Commonwealth, arranging the whole under their appropriate heads in the tabular form hereto appended.

1. Real Estate, viz: All houses, lands, lots of ground and ground rents, mills and manufactories of all descriptions, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves, and other real estate not exempt by law from taxation.

2. The following Personal Estate, viz: All horses, mares, geldings, mules and neat cattle over the age of four years, also, all morigages, money owing by solvent debtors whether by promissory note, penal or single bill, bond or judgment; all articles of agreement and accounts, bearing interest, owned or possessed by any person or persons whatsoever, except notes or bills for work and labor done, and bank notes.

All shares or stock in any bank, institution or company incorporated by, or in pursuance of, any law of this Commonwealth, or of any other State or Government; and all shares of stock or weekly deposits in any unincorporated saving fund institution, and all public loans or stocks whatsoever, except those issued by this Commonwealth. All money loaned or invested on interest in any other State. All household furniture, including gold and silver plate, exceeding in value $300, owned by any person or persons, corporation or corporations.

All pleasure carriages, both of two and four wheels. All salaries and emoluments of office; all offices and posts of profit, professions, trades and occupations.

☞ *The aforementioned objects of taxation are taxable for County and State purposes—the following for State purposes alone, viz:*

All gold lever or other gold watches of equal value. All other descriptions of gold watches and silver watches, or other silver lever watches of like value. Every other description of watches of the value of $20 or upwards.

All stages, omnibuses, hacks, cabs, and other vehicles used for transporting passengers for hire. All trades, occupations and professions (except the occupation of farmers) over and above $200. All salaries and emoluments of office created by or held under the Constitution or Laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth, where such salaries or emoluments exceed $200.

All annuities over $200, except those granted by this Commonwealth, or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religous purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also enquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the Assistant Assessors, proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a *bona fide* sale, after full public notice, and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of the aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor, and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such property, trade, occupation, profession or office at the sum so specified and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Saturday the 15 day of December

Given under our hands and seal of office, at Uniontown, the 9th *day of* Nov *A. D.* 187 7

All annuities over $200, except those granted by this Commonwealth, or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, in trust, for the use, benefit or advantage of any other person, company or corporation, excepting always such property as shall be held in trust for religous purposes.

You, the said Assessor, will also diligently inquire and take an account of all real estates which may have passed from persons dying seized thereof, other than to or for the use of father, mother, husband, wife, children or lineal descendants, born in lawful wedlock, and set out the same in a schedule, and also enquire of any estate that may come to your knowledge from any executor, administrator or otherwise, and with the aid of the Assistant Assessors, put a fair valuation thereon, according to the market price thereof, and make return thereof with this precept.

You will also make out a just and perfect return, in alphabetical order, of the names of inn-keepers and tavern keepers within your township, and other persons who may be desirous of keeping inns and taverns therein, and, with the aid of your Assistant Assessors, make a just valuation of the yearly rental of every inn and tavern in your township, and of the house in which any person may be desirous of keeping an inn or tavern.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the Assistant Assessors, proceed to assess and value every separate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a *bona fide* sale, after full public notice, and you will rate all offices and posts of profit, professions, trades and occupations, at what you shall believe to be the actual yearly income arising therefrom.

And if in case (from the best information within your power, to be inquired for and obtained by you,) you should fail to obtain a correct or special description of the aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor, and if any person whose personal property, trade, occupation, profession or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmation, then you shall value such property, trade, occupation, profession or office at the sum so specified and no more; and make return of this precept, and your proceedings had thereon, to the County Commissioners, at their office in Uniontown, on Monday the 16th day of Decr A D 1878

Given under our hands and seal of office, at Uniontown, the 8th *day of* November *A. D.* 1878

Property Roll
Perry Township
1880

COMMISSIONERS' OFFICE, UNIONTOWN, PA., Oct. 24th, 1879.

To Geo. W. Jackson, Assessor of Perry

Township, in the County of Fayette, Greeting:

Pursuant to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the County of Fayette, in the Commonwealth of Pennsylvania, hereby require and direct you to proceed forthwith to the abode of each and every taxable person residing within your Township and with your utmost diligence and ability to discover, ascertain, make out and return a just and perfect list of the names of all taxable persons therein, arranging them in alphabetical order, with a description of their property, real and personal, as also the several objects, &c., made taxable by the laws of the Commonwealth, together with a just valuation thereof, to be in the manner hereinafter prescribed; the whole arranged under their appropriate heads in the tabular forms hereunto appended:

1. REAL ESTATE, viz: Houses, lands, lots of ground and ground rents, mills and manufactories of all kinds, coal or coal mines, machinery, gas works, coke ovens, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves and all other real estate not exempt from taxation.

Where underlying coal and surface are owned by different persons, they must be assessed separately, the coal to its owner and the surface to its owner; where underlying coal and surface are owned by the same person, they will be assessed together at a fixed price per acre. In valuing real estate you will put a separate value on the land and on the buildings and improvements.

You will designate non-resident property owners by annexing to their names letters "N. R."

2. PERSONAL ESTATE, to wit:

Salaries and emoluments of office, and all offices and posts of profit, professions, trades and occupations, except the occupation of farmers.

Horses, mares, geldings, mules and neat cattle over the age of four years.

The above are taxable for County purposes alone.

All shares of stock or weekly deposits in any unincorporated Savings Fund Institution.

All household furniture, including gold or silver plate owned by any person or persons, or corporation or corporations, when the value thereof shall exceed the sum of $300.

All public loans on stock whatsoever, except those issued by the Commonwealth or the United States, and all money loaned or invested on interest in any other State.

All pleasure carriages, both of two and four wheels.

All mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment, also all articles of agreement and accounts bearing interest owned or possessed by any person or persons whatsoever, (except notes or bills for work or labor done, and all obligations given to banks for money loaned and bank notes)

All money loaned or invested on interest in any other State, and all money capital in the hands of individual citizens of the State.

The above are taxable for both State and County purposes

All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire, owned, used or possessed within this Commonwealth, by any person or persons, or by any corporate body or bodies.

All annuities over $200, except those granted by the Commonwealth or the the United States.

Upon watches owned and kept for use, as follows: that is to say, on gold lever or other gold watches of equal value, each $1; on every other description of gold watches, and upon silver lever watches or other silver watches of like value, seventy-five cents; every other description of watches of the value of $20 and upward, 50 cents.

All personal property not taxed under existing laws, (2d April, 1846, page 488,) held owned, used or invested by any person, company or corporation, in trust, for the use benefit or advantage of any other person, company or corporation, excepting always, such property as shall be held in trust for religious purposes.

All real estate, exempt by law from taxation, will be returned separately in the back part of the book, such as property owned by the United States or the State of Pennsylvania, the County of Fayette, borough, or school district therein, churches, charitable institutions, cemetries and grave yards, railroads, toll bridges, etc.

The above are taxable for State purposes alone.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the Assistant Assessors, proceed to assess and value every seperate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale either for cash or deferred payments with interest, after full public notice, and you will rate all offices and posts of profit, professions, trades and occupations at what you believe to be the actual yearly income arising therefrom.

The Assessors have nothing to do in regard to the assessment of bank stock and shares.

And if, in any case, (from the best information in your power, to be inquired for and obtained by you,) you shall fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same; and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt from a solvent debtor; and if any person whose personal property, occupation or profession, or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmations, then you shall value such personal property, trade, occupation, profession or office, at the sum or sums so specified, and no more; and make return of this precept and your proceedings had thereon to the County Commissioners, at their office in Uniontown, on the 15th day of Dec. A. D., 1879

Given under our hands and seal of office at Uniontown, the 24th *day of* October *A. D.*, 1879

ATTEST:

Perry township
1881.

COMMISSIONERS' OFFICE, UNIONTOWN, Pa., September 29th 1880.

To P. K. Luce ..... Assessor of Dunbar .....

Township, in the County of Fayette, Greeting:

Pursuant to the several Acts of Assembly, in such case made and provided, we, the Commissioners of the County of Fayette, in the Commonwealth of Pennsylvania, hereby require and direct you to proceed forthwith to the abode of each and every taxable person residing within your township and with your utmost diligence and ability to discover, ascertain, make out and return a just and perfect list of the names of all taxable persons therein, arranging them in alphabetical order, with a description of their property, real and personal, as also the several objects, &c., made taxable by the laws of the Commonwealth, together with a just valuation thereof, to be in the manner hereinafter prescribed; the whole arranged under their appropriate heads in the tabular forms hereunto appended:

1 REAL ESTATE, viz: Houses, lands, lots of ground and ground rents, mills and manufactories of all kinds, coal or coal mines, machinery, gas works, coke ovens, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan-yards, fisheries and ferries, wharves and all other real estate not exempt from taxation.

Where underlying coal and surface are owned by different persons, they must be assessed separately, the coal to its owner and the surface to its owner; where underlying coal and surface are owned by the same person, they will be assessed together at a fixed price per acre. In valuing real estate you will put a separate value on the land and on the buildings and improvements.

You will designate non-resident property owners by annexing to their names letters "N. R."

2. PERSONAL ESTATE, to wit:

Salaries and emoluments of office, and all offices and posts of profit, professions, trades and occupations, except the occupation of farmers.

Horses, mares, geldings, mules and neat cattle over the age of four years.

The above are taxable for County purposes alone.

All shares of stock or weekly deposits in any unincorporated Savings Fund Institution.

All household furniture, including gold or silver plate owned by any person or persons, or corporation or corporations, when the value thereof shall exceed the sum of $300.

All public loans on stock whatsoever, except those issued by the Commonwealth or the United States, and all money loaned or invested on interest in any other State.

All pleasure carriages, both of two and four wheels.

All mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment, also all articles of agreement and accounts bearing interest owned or possessed by any person or persons whatsoever, (except notes or bills for work or labor done, and all obligations given to banks for money loaned and bank notes)

All money loaned or invested on interest in any other State, and all money capital in the hands of individual citizens of the State.

The above are taxable for both State and County purposes

All stages, omnibusses, hacks, cabs and other vehicles used for transporting passengers for hire, owned, used or possessed within this Commonwealth, by any person or persons, or by any corporate body or bodies.

All annuities over $200, except those granted by the Commonwealth or the the United States.

Upon watches owned and kept for use, as follows: that is to say, on gold lever or other gold watches of equal value, each $1; on every other description of gold watches, and upon silver lever watches or other silver watches of like value, seventy-five cents; every other description of watches of the value of $20 and upward, 50 cents

All personal property not taxed under existing laws, (23d April, 1846, page 488,) held owned, used or invested by any person, company or corporation, in trust, for the use benefit or advantage of any other person, company or corporation, excepting always, such property as shall be held in trust for religious purposes.

All real estate, exempt by law from taxation, will be returned separately in the back part of the book, such as property owned by the United States or the State of Pennsylvania, the County of Fayette, borough, or school district therein, churches, charitable institutions, cemetries and grave yards, railroads, toll bridges, etc.

The above are taxable for State purposes alone.

And, as soon as your enumeration of taxable persons and property is completed, you will, with the aid of the Assistant Assessors, proceed to assess and value every seperate lot, piece or tract of land, with the improvements thereon, and all personal property and other objects made taxable by the laws of this Commonwealth, within your said township, at the rate or price which you shall, after due examination and consideration, believe the same would sell for, if sold singly and separately at a bona fide sale either for cash or deferred payments with interest, after full public notice, and you will rate all offices and posts of profit, professions, trades and occupations at what you believe to be the actual yearly income arising therefrom.

The Assessors have nothing to do in regard to the assessment of bank stock and shares.

And if, in any case, (from the best information in your power, to be inquired for and obtained by you,) you shall fail to obtain a correct or special description of aforesaid property, then you are to return the aggregate value thereof as nearly as you can ascertain the same; and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt from a solvent debtor; and if any person whose personal property, occupation or profession, or office, taxable as aforesaid, shall, before you have completed your assessment, make oath or affirmation that the value of their property, taxable as aforesaid, does not exceed a certain sum or sums, to be specified in said oath or affirmations, then you shall value such personal property, trade, occupation, profession or office, at the sum or sums so specified, and no more; and make return of this precept and your proceedings had thereon to the County Commissioners, at their office in Uniontown, on the Fifteenth day of Nov. A. D., 1880

Given under our hands and seal of office at Uniontown, the 29th *day of* September *A. D.*, 1880
