## NEWS RELEASE

### Senior Centers in Fayette, Greene and Washington Counties suspending operations through March 27

In a concerted effort with local officials and the Boards of County Commissioners in Fayette, Greene and Washington Counties, the Southwestern Pennsylvania Area Agency on Aging, Inc. (AAA) is announcing that, effective Tuesday, March 17, all senior community centers and senior satellite centers in Fayette, Greene, and Washington Counties will be suspending operations of all social and recreational activities through Friday, March 27.

This action is being taken out of an abundance of caution and concern for older adults during the COVID-19 pandemic and to comply with the social distancing recommendations issued by the Governor's Office and the PA Department of Health.

During this period of time, the daily congregate meal will be available for "pickup only" at each senior center location. Meals may be picked up between 11 a.m. and 1 p.m. Monday through Friday. Please call your local senior center to reserve your meal, one day in advance, before 1 PM.

There will be no substantial change to the home-delivered meal program at this time.

The AAA will be closely monitoring this unfolding situation and will take additional steps as necessary to assist older adults during this time. For more information, call your senior center in Fayette, Greene or Washington County. You may also call the Area Agency on Aging at 1-888-300-2704 or a county office nearest you:
