TOTAL BID AMOUNT: \$ _____ (Digits)

TOTAL BID AMOUNT IN WORDS: _____

This Contract will be awarded to the lowest qualified bidder.

The total bid amount is to be shown in both words and figures. In case of discrepancy, the amount shown in words will govern.

1. The above prices shall include all labor, materials, bailing, shoring, removal, overhead, profit, insurance, etc., to cover the finished work as specified.
2. The Bidder understands that the Owner reserves the right to reject any or all bids and to waive any informality in the bidding.
3. The Bidder agrees that this bid shall be good and may not be withdrawn for a period of Thirty (30) calendar days after the scheduled closing time for receiving bids.
4. Upon receipt of written notice of the acceptance of this bid, Bidder will execute the formal Contract dated within ten (10) days and deliver a Surety Bond or Bonds as required by the Instructions to Bidders. The bid security attached in the sum of _____ (\$) is to become the property of the Owner in the event the Contract and Bonds are not provided within the time above set forth, as liquidated damages for the delay and additional expense to the Owner caused thereby.
5. The Bidder agrees to commence the Contract work upon receipt of a written "Notice to Proceed" from the Owner and to fully complete the project within **sixty (60)** consecutive calendar days thereafter. The Bidder further agrees to pay as liquidated damages, the sum of **\$100.00** for each calendar day thereafter.
6. The undersigned represents that he is in receipt of the following number of addenda issued by Widmer Engineering Inc. (If no addenda are issued, insert the word "none" in the following space) _____
_____.
7. By submission of this Bid, each Bidder certifies, and in the case of a joint Bid, each party thereto certifies as to its own organization, that this Bid has been arrived at independently, without consultation, communication, or agreement as to any matter relating to this Bid with any other Bidder or with any competitor.
8. To the extent he deems it necessary or desirable, the Bidder has reviewed the Drawings and Project Manual, visited the proposed project site and made all site, soil and subsurface tests and independently verified the location of all underground utilities and other structures and obstructions.
9. The Bidder represents that he has had ample opportunity to request clarification from the Owner and the Engineer about any part of the Drawings and Contract Documents which are not entirely clear to him or about which he has any questions or reservations and that, to the extent he has requested clarifications, he has received satisfactory responses.
10. The Bidder has carefully reviewed the Drawings and Contract Documents for the purpose of detecting any inconsistencies between the Drawings and Specifications (or any items included in the Drawings but not in the Specifications, or in the Specifications but not on the Drawings), and, to the extent he has observed any such inconsistencies and/or omissions, he has duly noted them and has had an adequate opportunity to request clarification from the Owner and the Engineer, and he has received a satisfactory response with respect thereto.
11. Bids in the Bid Schedule shall exclude sales tax or other applicable taxes and fees, since the **Fayette County Public Works Department** is tax exempt.
12. The bidder has carefully reviewed and acknowledges the performance test requirements noted in the specifications.

Respectfully submitted,
