

## FAYETTE COUNTY PA SHERIFF SALES ARE GOING ONLINE!

Sheriff James Custer is proud to announce that Fayette County PA is going online with their Sheriff Sales beginning September 22, 2022. Fayette County will be using **RealForeclose**,

This website is live as of Sept 1, 2022.

In order to have access to the cases you will be managing you must first register an account at <https://fayette.pa.realforeclose.com>. **Be advised that registration is global so once you have obtained a User Name and Password you will be able to log in to any RealForeclose site in which you will be managing cases.** Once the registration is created, an email requesting Plaintiff Access should be sent to Customer Service at [customerservice@realauction.com](mailto:customerservice@realauction.com), with the following information:

- Name of County
- User Name
- Name of Firm
- Sale Date
- Case Number

An email confirming access to the Manage Cases module will be sent upon completion.

*Once an account has been granted Plaintiff Access it **CANNOT** be used for participation as a 3rd party bidder. It would necessitate creating a separate funded account in order to place a bid on an auction as a 3rd party which means the 10% deposit requirement must be met as well.*

Please call the Realauction.com Customer Service Department for more details & to register:
